Explore at your own pace

A compact itinerary combining the waterfront, local neighborhoods and a classic cable-car ride. Keep room in the schedule to pause, take photographs and enjoy the view.

Day	Morning	Afternoon
Saturday	Waterfront walk	Cable-car ride
Sunday	Neighborhood coffee	Park and museum

Make the most of the trip

A short checklist

- Bring a light jacket for the sea breeze.
- Choose comfortable shoes for the hills.
- Check opening hours before your visit.

A little context

The cable-car system is a living part of the city. A ride offers an easy way to see familiar streets from a different perspective. This sample includes ordinary editable text, a photograph, a table and an explicit page break.
